Professional Summary

Veterinarian and MBA with experience in business management, agricultural production, and luxury experiences and hospitality. I have held various roles in family-owned businesses, including Director, Operations Manager, and Entrepreneur, actively engaging in the planning, ideation, and execution of projects. Known for a results-driven approach and ability to adapt within dynamic environments, I focus on achieving sustainable growth and operational efficiency. Always striving to create a positive impact and measurable progress focused on a purpose.

Education

- **UCU Business School**
Master in Business Administration (MBA), 2020-2021
- **University of the Republic – Faculty of Veterinary Medicine**
Degree in Veterinary Science with a focus on Animal Production, Ruminant Block
 - 2001–2006: Completed coursework
 - 2007: Internship in Rivera, Uruguay
 - October 2008: Thesis approved with distinction (11/12) on Fixed-Time Artificial Insemination (FTAI) in sheep using fresh semen

Professional Experience

- **Hasparren Group**
Director
2020–Present
 - Leading a family business conglomerate focused on managing foreign investments in Uruguay, luxury hospitality services, and sustainable outdoor experiences, including feather hunting and fishing activities, as well as residential and raw land real estate.
- **BPB Land Management**
Partner, Project and Operations Manager
2016–Present
 - Managing investment administration in Uruguay, responsible for evaluating and developing agricultural investment projects, as well as overseeing economic and financial performance.
 - In charge of planning and executing livestock production and field operations.

- **Uruguayan Aberdeen Angus Beef S.A.**
Manager
2010–2020
 - Managed the company founded by the Angus Breeders Society, aiming to add value across the meat production chain, primarily by providing Aberdeen Angus beef certification services.
- **Veterinarian Roles in New Zealand**
November 2008 – October 2009
 - Veterinary roles in various establishments, including Blackdale Stud, Top Tender Texels, Vet Life Clinic, Kakahu Angus, and others in New Zealand, specializing in livestock and thoroughbred management.
